Painting (acrylics)

Digital Photography

(basic photo editing, studio

lighting/equipment skills)

SUMMARY

My journey starts in Springfield, OH, where I started my career as a traditional artist before venturing into the world of graphic design. I love trying new mediums with my art and believe that working in an ethical environment is as important as working in a fun environment. Extremely loyal and hard-working, I love to solve problems — once I start a project, it's hard for me to stop until I've finished it.

EXPERIENCE

APRIL – MAY 2020

Design Intern, G-PACT, Etters, PA

- ◆ Part of a 7-member team tasked with creating a range of deliverables for rebranding of a nonprofit organization focused on gastroparesis and other intestinal disorders
- ◆ Designed and presented logo concepts
- ◆ Created site map and sketches for website redesign
- ◆ Designed and created concepts for social media posts

AUGUST 2016 – PRESENT

Store Associate, Handyman Ace Hardware, Springfield, OH

- ◆ Designed and created templates to obtain customer information for delivery
- ◆ Involved in physical store redesign, producing scaled renderings of store planogram
- ◆ Employee of the Month in November 2016 and August 2019
- ◆ Customer service
- ◆ Stock products
- ◆ Assist with opening and doing deposit
- ◆ Assist with the garden center/greenhouse
- ◆ Build furniture/tools
- ◆ Maintain cleanliness of registers

EDUCATION

AUGUST 2017 – MAY 2020

Associate Degree of Applied Business in Design

The Modern College of Design, Kettering, OH

- ◆ Versatile design program includes courses in traditional print/package design, web design, introductory web development, photography, and illustration
- ◆ General education courses in English composition, art history, communications, marketing, and psychology
- ◆ Attended an AAF Dayton professional networking event featuring Tom Cocke, group creative director at The Buntin Group in Nashville, TN
- ◆ Collaborated with St. Mark United Methodist Church in Springfield on a website design and development project
